

INTERNATIONAL BACCALAUREATE

The International Baccalaureate (IB) Diploma Programme prepares high school students for success at the university level. The academically challenging, internationally focused curriculum includes courses in six subject areas. Students taking yearend IB examinations can also potentially receive college credit.

Once students commit to John Carroll and submit their enrollment deposit, they should request that a transcript from International Baccalaureate North America (IBNA) be sent directly to John Carroll for an official credit evaluation. The tables below show current departmental practice for IB exams.

For courses not listed below, the student must also provide a syllabus from his or her high school for each course being considered for credit. A copy of the syllabus will be sent to the department chair at John Carroll for input on what credit may be given before the official credit evaluation is sent to the student.

Courses that satisfy the Integrative Core Curriculum are denoted as such:

CAPA	Satisfies the Creative and Performing Arts requirement.
HUM	Satisfies the Humanities distribution requirement.
SOC	Satisfies the Social Science distribution requirement.
SCI	Satisfies the Natural Science distribution requirement.
+	Satisfies the Written Expression (foundational competencies) requirement.
++	Satisfies the Language requirement.

John Carroll accepts Higher Level (HL) course work only, except where Standard Level (SL) is noted below.

STUDIES IN LANGUAGE AND LITERATURE

<i>IB Course</i>	<i>IB Score Required for Credit</i>	<i>Semester Hours</i>	<i>JCU Course (Course Credit)</i>	<i>Equivalent</i>
English A: Language and Literature	6-7	3	EN 1250 +	
English A: Literature	6-7	3	EN 1250 +	

LANGUAGE ACQUISITION*

<i>IB Course</i>	<i>IB Score Required for Credit</i>	<i>Semester Hours</i>	<i>JCU Course (Course Credit)</i>	<i>Equivalent</i>
Arabic B	SL 6-7	6	ML 1010-1020	
	HL 5-7	6	ML 1030, 1999 +	
Classical Languages	SL 6-7	6	LT 1010-1020 or	
		6	GK 1010-1020	
	HL 5-7	6	LT 1030, LT 1999 + or	
		3	GK 1999 ++
